26TH ANNUAL

EUROMEETING VIENNA 2014

25-26 March 2014 | ACV, Vienna, Austria

Deadline to submit an abstract is Monday, 20 January 2014

The DIA Annual EuroMeeting

The EuroMeeting is an annual conference that takes place in March each year. It is global in scope, attracting well over 3,000 professionals from over 50 countries. It brings together professionals from the biopharmaceutical industry, contract service organisations, academic research centres, regulatory agencies and health ministries. This convergence affords attendees the opportunity to network with professionals from around the world.

The EuroMeeting will feature over 100 sessions, an exhibition floor with over 170 exhibitors and two large networking receptions.

PROFESSIONAL POSTER INFORMATION

Professional individuals are invited to submit a poster for display at the DIA 26th Annual EuroMeeting that will be held in Vienna, Austria. The professional poster programme is an opportunity to present your research to a diverse group of scientific professionals who are actively involved in the discovery, development, and life cycle management of pharmaceuticals, biotechnology, medical devices, and health care related products.
