7th Annual

Clinical Forum Dublin 2013

8–9 October 2013 | The Convention Centre Dublin, Ireland

Pre-conference Workshops 7 October 2013 | 14:00 – 17:30

The DIA Annual Clinical Forum

This two day multi-track conference comprises five parallel themes addressing current challenges and hot topics in clinical research and medicines development. It brings together professionals from the biopharmaceutical industry, contract service organisations, academic research centres, public health authorities and patient organisations, and affords attendees the opportunity to network with delegates from all over Europe and worldwide.

NOW ACCEPTING APPLICATIONS FROM PATIENTS, STUDENTS AND YOUNG PROFESSIONALS

Deadline:
Friday, 9 August 2013

For more information on the Fellowships, who should apply and the latest programme information, visit www.diahome.org/CF2013.

DIA Europe Fellowship Programme

DIA Europe promotes the participation of patients, students and young professionals in the 7th Annual Clinical Forum by offering up to 25 complimentary admissions. Additionally, 3 fully supported places are available for patient representatives.

The DIA Europe Fellowship Programme is designed to:

- Develop collaboration and improve alliances with different stakeholders
- Increase knowledge of issues at the heart of patient-centred healthcare and provide insight into the use of clinical trials by the pharmaceutical industry and regulatory authorities
- Enhance the capacity to respond to changes in drug development and health care delivery
- Stimulate mutual understanding and cross-culture co-operation, share best practices, and act as a platform for knowledge exchange and networking

Who should apply?

- Representatives of non-profit patient groups in Europe in a leadership, staff or volunteer role
- Young professionals under the age of 32. Proof of age and status required with application
- Full-time students. Official confirmation of full-time student status required with application

Part-time students are not eligible for fellowship, but can benefit from discounted student conference entry fees. Please contact DIA Europe on +41 61 225 5151 or email diaeurope@diaeurope.org.

Selected candidates are expected to:

- Attend the full Clinical Forum 8–9 October 2013
- Participate in Fellowship activities at the conference
- Make use of the networking zone to meet other fellows and stakeholders
- Provide feedback afterwards on their experience

Part-Supported Fellowship (up to 25 available for Patients, Students, Young Professionals):

- Complimentary registration for the 7th Annual Clinical Forum
- Complimentary admission to a pre-conference workshop

Fully Supported Fellowship (3 available, Patients only):

- Complimentary registration for the Clinical Forum and a pre-conference workshop
- Return travel to and from Dublin (economy class) for one person
- Hotel accommodation for two nights

Selected candidates' names will be published in the Final Programme and on the DIA website. DIA Europe will provide detailed information on acceptance to the Fellowship Programme by the week of 19 August 2013.
