

Nomination Form **2020 DIA Global Inspire Awards**

Dear DIA Members,

It is my great honor to announce the call for nominations for DIA's Global Inspire Awards for 2020. Our Inspire Awards are our pinnacle awards, recognizing those very few individuals who go above and beyond in carrying out DIA's mission as the global, neutral forum for knowledge exchange to raise the level of health and well-being worldwide. DIA's success and impact over the past 56 years is entirely the result of tens of thousands individuals lending their voices, energy, and expertise to support the sustainable delivery of therapies to patients, and we look forward to recognizing those very few who serve as the best-of-the-best in doing so.

On behalf of DIA's Board of Directors
Rebecca Vermeulen, RPh, Chair
