

Advertising and Promotion Regulatory Affairs Conference

FEBRUARY 22-23, 2027 | BETHESDA, MD

CALL FOR ABSTRACTS

ABSTRACT SUBMISSION DETAILS AND GUIDELINES SUBMISSION

DEADLINE: AUGUST 26

Are you a professional involved in the advertising and promotion space? If so, DIA wants to hear from you! The **DIA 2027 Advertising and Promotion Regulatory Affairs Conference** to be held on February 22-23, 2027, in Bethesda, MD, explores the current state of compliance for marketing both pharmaceuticals, biologics and medical devices. Join industry thought leaders and government officials for interactive and compelling discussions that will shape policy and define strategic priorities within the advertising and promotion regulatory space. Don't miss an opportunity to present at this conference, share your knowledge and expertise and connect with other experts in the industry.

To ensure we have the most comprehensive and cutting-edge program, we are seeking abstract submissions from professionals like yourself, who are pushing the boundaries in their respective fields. We encourage you to submit abstracts that reflect the latest trends, innovations and/or relevant ideas, methods, and best practices in advertising and promotion. We will be accepting the following formats:

- Presentations: 15-20-minute presentation to be bundled with other presentations to create a session (1 speaker)
- Sessions: 75-minute total session (3 maximum speakers)
- Short Courses: Three-hour interactive workshop delivered in a small group format (these will be delivered virtually and require a separate fee from attendees)
- Workshop: 60-90-minute workshop delivered in an interactive/simulation or role-playing format during the conference

Please note that this conference is attended by many regulatory professionals, service providers and health authority representatives, and topics in addition to those listed below that you feel are relevant, may be submitted for evaluation and possible selection.

Submission Topic Areas include:

- Ad Promo's Strategic Role in the Biosimilars Space
- Advertising and Promotion Considerations for Investigational and Pre-Approval Communications
- After an OPDP Letter: How Pharma and Communication Agency Partners Navigate Response, Remediation, and Future Promotional Development
- AI Gone Wrong: Common Pitfalls in Promotional Content Development—and How to Avoid Them
- Best Practices and Limitations of the SIUU Guidance
- Career Development within Regulatory and Ad Promotion (e.g., developing a pathway for professionals to evolve from tactical reviewers to cross-functional business influencers)
- Disease Awareness Campaigns: Best Practices and Lessons Learned
- Digital and Social Media Promotion: Influencers, Emerging Platforms, and Regulatory Considerations
- Due Diligence in Corporate Transactions Involving Ad Promo
- DTC Promotional Labeling and Advertising: Implementation and Lessons Learned (e.g., TV and radio advertising under the Clear, Conspicuous, and Neutral Final Rule)
- Evaluating Substantiation of Promotional Claims
- FDA Enforcement Trends: Lessons from Recent Warning and Untitled Letters
- From Strategy to Launch: Lessons Learned from Pharma and Advertising Agency Teams
- Global Advertising and Promotion: Best Practices and Use Cases (e.g., addressing alignment challenges with multinational campaigns and differing labels)
- Health Literacy and Patient-Centered Promotional Communications
- Innovation in Promotional Review: Advanced AI, Machine Learning, and GenAI Applications
- Insights and Best Practices for CFL Promotional Communications
- The Strategic Role of Ad Promo Across Product Development: Early Cross-Functional Engagement from Clinical Development Through Labeling
- Market Access Strategies and Best Practices for Engaging Payors
- Medical Affairs and Ad Promo: Navigating Scientific Exchange, Promotional Communications, and Cross-Functional Collaboration
- Medical, Scientific, and Pre-Approval Communications: Strategies and Best Practices
- Multiple Indications: Navigating PIE and Disease State Education Prior to Launch
- Omnichannel Promotional Strategy: Best Practices and Regulatory Considerations
- Optimizing Ad Promo Operations: Cross-Functional Collaboration and Operational Excellence
- Promotional Review Committees: Risk-Based Decision Making and Cross-Functional Alignment
- Promotional Submissions to the FDA: Insights and Best Practices
- Strategies for Reaching Special Populations in Promotional Efforts
- Subpart H Approvals and Promotional Considerations
- The Evolving Role of Ad Promo in Cross-Functional Planning

Abstract Submission Deadline: August 26

Notification: Week of October 12

Final PowerPoint Presentations Due: February 2, 2027

Please submit all abstracts online at:

CALL FOR PRESENTATION ABSTRACTS

SUBMISSION DEADLINE: AUGUST 26

GENERAL SUBMISSION REQUIREMENTS

- All submissions must be submitted online
- For complete submission requirements and to submit your abstract go to DIAglobal.org/Abstracts

SUBMISSION TIPS

- Ideal submissions will contain practical content and shared experiences
- Theoretical topics and content is acceptable, however, it should be supported with proof of concepts and use cases
- Diverse topics and sessions are welcomed and encouraged within the scope of the forum
- Please select the interest area that best fits with your proposal. If your topic is relevant to more than one interest area, please indicate that in your abstract summary.
- Abstracts should be written using clear language and descriptions to provide enough clarity for the selection committee to review and understand

REQUIRED DOCUMENTATION FOR ALL ABSTRACTS

- Participant Disclosure Information: All abstract authors must disclose any relevant financial relationships with any commercial interest associated with this activity that exist or have existed within the past 12 months, as well as any discussion of unlabeled or unapproved drugs or devices. If you are proposing an abstract on behalf of the author, as the submitter you will not be asked to disclose. However, should the abstract be accepted, the author will be informed that he or she must complete and submit a Participant Disclosure in order to participate in the program
- All submitters and authors must agree to the [DIA Speaker Authorization for Use of Presentation Materials](#) in order for the abstract to be a part of the Program. Accepted abstracts will be available on DIA's website for attendee download.

SUBMISSION GUIDELINES

Submitting a PRESENTATION ABSTRACT (All abstracts must be submitted online)

15-20-minute presentation, bundled with other presentations to create a session. Abstract author is considered the presenter (co-presenters are not permitted) and will be responsible for:

- Adhering to the program development guidelines and timelines
- Working with chair and other presenters in creating a balanced program offering
- Preparing and delivering a PowerPoint presentation

Submitting a SESSION ABSTRACT (All abstracts must be submitted online)

75-minute total session. Abstract author will be responsible for:

- Adhering to the program development guidelines and timelines
- Recruiting speakers and ensuring good representation/diversity in their selection. Maximum of 3 speakers per session
- Working with the Session Chair to communicate with speakers regarding their role in the session

Submitting a SHORT COURSE ABSTRACT (All abstracts must be submitted online)

Three-hour, interactive presentation delivered in small group format. Abstract author is considered the Short Course Lead Instructor and will be responsible for:

- Adhering to the program development guidelines and timelines
- Recruiting co-instructors and ensuring good representation/diversity in their selection
- Communicating with co-instructors regarding their role in the short course and reviewing presentation materials (note: PowerPoint presentations are required from each instructor)

SUBMISSION

The following information will be requested at the time of submission. DIAglobal.org/Abstracts

To streamline your submission process and avoid possible delays, DIA strongly encourages you to submit your abstract as early as possible. Do not wait until the last day.

Prepare your abstract in advance of accessing the DIA website. Abstract information should be copied and pasted from a prepared document as plain text. All of the fields below are required.

Author Information

Abstract Information

Interest Area: Choose from the drop down

Keywords: Provide one or more keywords to highlight your abstract. Examples of keywords: Regulatory Affairs, Marketing, Communications, Compliance, Legal, etc. (100 characters)

Level of Difficulty: Beginner, Intermediate, or Advanced

Learning Objectives: Provide 2-3 learning objectives that clearly explain what participants should be able to do after attending this event. For a list of suggested verbs to create these objectives, [click here](#). (400 Characters)

Overview: Please provide 2-3 sentences summarizing your abstract. This summary will be used as the overview description in the DIA program for marketing purposes (250 Characters including spaces)
Abstract Details: Please provide complete details about your abstract. Information such as scientific, technical, process issues, design/methods, results/outcomes, case studies, statistics, key findings, etc., that would support your proposal should be included here. This information will be used by the Program Committee to learn more about the purpose of your abstract. Is there an interactive component to your topic? If so, please indicate in the abstract details how you would be able to include an interactive learning experience for attendees. (2000 Characters including spaces)
