SUBMISSION DEADLINE: NOVEMBER 15

The organizing committee invites you to propose and volunteer to lead a round table luncheon discussion at DIA's *Pharmacovigilance and Risk Management Strategies Conference*, January 27-29 in Washington, DC at the Marriott Wardman Park. Round table discussions are held during lunch and are about 45 minutes in length. Round table leaders: develop the topic and brief introductory remarks to serve as background for the participants; develop any pre-reads or handout materials; complete disclosures/bio for the Conference; conduct the round table discussion; and write a short summary of the discussion points and ideas/concepts coming out of the discussion.

Proposals must be submitted electronically via the following online form or copying/pasting the link into your web browser: <https://www.surveymonkey.com/r/PVRT20>

The deadline for submission is **November 15** and selection will be made by November 30. The round table luncheon will be held on January 27-28 from 12:00-1:30PM ET.

5. A short (2-3 sentences) description of the round table topic with 2-3 questions you plan to discuss

Potential round table luncheon discussion topics include (but are not limited to) the following broad topics that are related to the themes of the conference:

Each of these broad topics may have subtopics that you wish to expand upon in your luncheon dialogue. Furthermore, you are welcome to submit a round table topic that is unrelated to the conference themes, though we will give preference to topics that are related.

If selected, you will be responsible for all costs (e.g., registration, travel, lodging). **You must be a registered attendee to present a round table.**

Note that the submission form does not allow for updates. If you need to update your submission, please completely resubmit your proposal. There is a field at the end of the form to indicate that it is a resubmission.
