## DIA Asia Meeting 2025

The Future of Health in APAC  
- Integrating Clinical Trials  
into Clinical Practice

17, July 2025

One Farrer Hotel, Singapore

### Overview

The 2025 DIA Asia Meeting invites you to join an inspiring gathering of regulators, academia, clinicians, patient representatives, and industry leaders from across China, Korea, Japan, Singapore, Southeast Asia, and beyond. This year's theme, Integrating Clinical Trials into Clinical Practice, highlights the essential role of collaboration and innovation in driving better patient outcomes and transforming healthcare in Asia.

Together, we will explore cutting-edge topics, including:

#### 1. Digital Health to Revolutionize Patient Care

- Discover how AI and machine learning are shaping drug development, clinical trial execution, and operational efficiency in healthcare.

#### 2. Unlocking the Power of Real-World Data (RWD)

- Learn strategies to address operational and functional challenges, ensuring fit-for-purpose data assets from electronic medical records (EMR), claims, patient registries, genomics data, and more.

#### 3. Advancing Precision Medicine

- Discuss breakthroughs in targeted treatments for rare diseases and oncology, transforming care so patients receive the right treatment at the right time.

#### 4. Enhancing Regulatory Oversight and Compliance

- Examine the balance between regulatory and ethical oversight and the practical applications of regulatory science in clinical practice.

With deep dives into these pivotal topics, the conference will provide actionable insights into the latest trends in clinical research, AI, digital health and regulatory science, offering a platform to exchange best practices and drive healthcare transformation across the region.
