

6TH ANNUAL CLINICAL FORUM

THE EMPOWERED PATIENT

8-10 October 2012 | World Forum,
The Hague, The Netherlands

The DIA Annual Clinical Forum

This two and a half day multi-track conference comprises eight parallel themes related to clinical research and development of medicines. It brings together professionals from the biopharmaceutical industry, contract service organisations, academic research centres, regulatory agencies, health ministries and patient organisations, and affords attendees the opportunity to network with professionals from around the world.

APPLICATIONS!**

**Deadline:
Friday, 20 July 2012**

DIA Europe Patient Fellowship Programme

DIA Europe promotes the participation of patients in the 6th Annual Clinical Forum "The Empowered Patient" with a full Fellowship Programme and additional complementary registrations. The DIA Europe Patient Fellowship Programme is designed to:

- Develop collaboration with health professionals, industry representatives, public health authorities, policy makers and academia
- Increase knowledge and understanding of issues central to the promotion of patient-centred healthcare
- Enhance the capacity of patient advocates to respond to changes in drug development and health care delivery
- Improve alliances between patient groups and other healthcare stakeholders
- Stimulate mutual understanding and cross-culture co-operation, promote dialogue and share best practices

Who should apply?

- Representatives of non-profit patient groups active in Europe, in any therapeutic area
- Serve in a leadership staff/volunteer role
- Engage in, or be familiar with, activities related to clinical trials and drug development
- The business language of the conference is English. Patient Fellows must be able to understand scientific content in English and network with other attendees with ease.

Selected candidates are expected to:

- Attend all three days of the Clinical Forum, 8-10 October 2012
- Participate in Patient Fellowship activities at the conference
- Make use of the networking zone to meet with other patient fellows and stakeholders
- Provide feedback afterwards on their experience

Fully Supported Patient Fellowship (3 available):

- Complimentary registration to the 6th Annual Clinical Forum
- Optional complimentary admission to a pre-conference tutorial/workshop
- Return travel to and from The Hague (economy class) for one person
- Hotel accommodation for two nights

Partly Supported Patient Fellowship (up to 10 available):

- Complimentary registration to the 6th Annual Clinical Forum
- Complimentary admission to a pre-conference tutorial/workshop

Selected candidates' names will be published in the Final Programme and on the DIA website. DIA Europe will provide detailed information on acceptance to the programme by 28 August 2012.

Photography Policy: By attending the 6th Annual Clinical Forum, you give permission for images of you, captured during the conference through video, photo, and/or digital camera, to be used by DIA Europe in promotional materials, publications, and website and waive any and all rights including but not limited to compensation or ownership.
