

How to Navigate your DIA Account:

Log in to the DIAGlobal.org website.

Go to the “Welcome, NAME” drop down menu in the top right hand corner

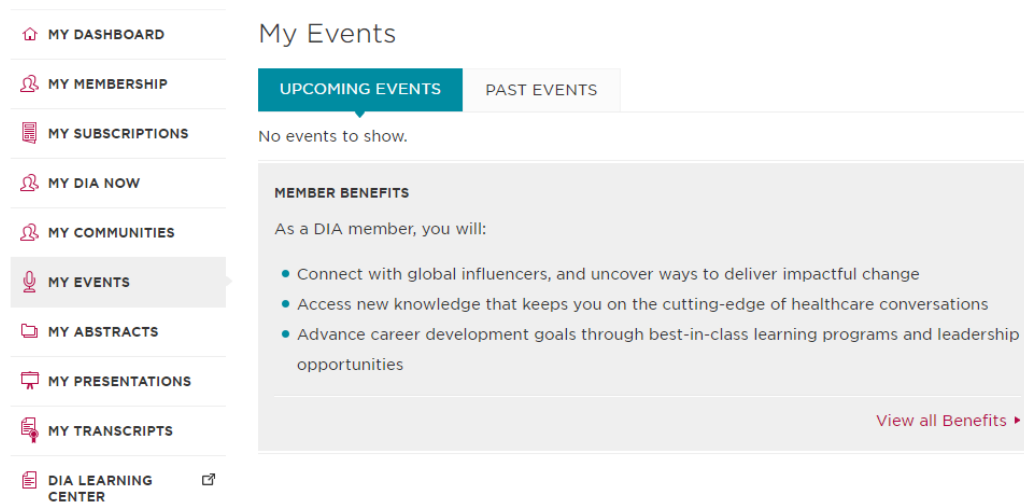

Here you will find several topics available for your account.

“My Account”

My Account will bring you to a Dashboard. From this Dashboard, you can view and update your membership, subscriptions, access DIA NOW. You can also view your registered event and presentations from registered events, as well as access your Transcripts.

“My Communities”

My Communities is a DIA Member-only Benefit which offer a space for you to connect, engage and share with other industry leaders and professionals across the globe. You can sign up for industry-specific Communities and get involved here by clicking on the Communities Home Page Link

The screenshot shows a user profile for Carla Long, a member. It includes a 'Thank you for your membership!' message, a profile completion progress bar at 45%, and a 'Complete profile' link. A sidebar on the left lists navigation options: MY DASHBOARD, MY MEMBERSHIP, MY SUBSCRIPTIONS, MY DIA NOW, MY COMMUNITIES (highlighted), MY EVENTS, and MY ABSTRACTS. The main content area is titled 'My Communities' and features a 'MY COMMUNITIES' button and an 'EXPLORE COMMUNITIES' button. Below this, there is a circular image of four people and a yellow callout box labeled 'Communities Home Page' with the text: 'Access your Communities, explore other Communities, and connect with your fellow DIA members through the DIA Communities Home page.'

“My DIA NOW”

This will take you to access DIA NOW where you can find TIRS, Articles, Podcasts, and webinars for your review. With the purchase of DIA NOW+ you can also access Session Recordings from previous events.

The screenshot shows the DIA website search results page. The search bar contains the text 'keyword, document name, etc.' and a 'Subscribe' button. The search results are displayed as a list of 1-15 of 3,492 results, sorted by 'Newest'. The results are categorized by 'Type' and 'Interest Areas'. The 'Type' categories include All (2,148), Session Recording (804), TIRS (434), Article (83), Podcast (27), and Webinar. The 'Interest Areas' categories include All (1,106), Regulatory (831), and Clinical Development & Operations. Two search results are visible: 'How to Use DIA NOW?' (a notice) and 'Awareness of Clinical Research Coordinators Toward Ethics and Protection of Clinical Trial Patients' (a TIRS article from Dec 26, 2022).
