Due to comments from our exhibitors and attendees, exhibiting companies will be restricted from marketing activities unapproved by DIA in the vicinity of the San Diego Convention Center (SDCC). This includes the San Diego Marriott Marquis and surrounding areas, as displayed within the red box above.

All marketing activities must be approved in writing by DIA in advance.

Companies found in violation of this policy will be required to cease the unapproved activity and/or remove all unapproved advertising materials immediately. A company which has already selected its booth location will have that location vacated and be permitted to reselect booth space at the conclusion of DIA 2019. In addition, the company will receive a 50%

reduction in Exhibit Booth Assignment Order Points for DIA 2021 in Philadelphia.

Marketing activities that will not be allowed in this zone include, but are not limited to:
