7th Pharmacovigilance Conference

Transforming Clinical Safety and Pharmacovigilance

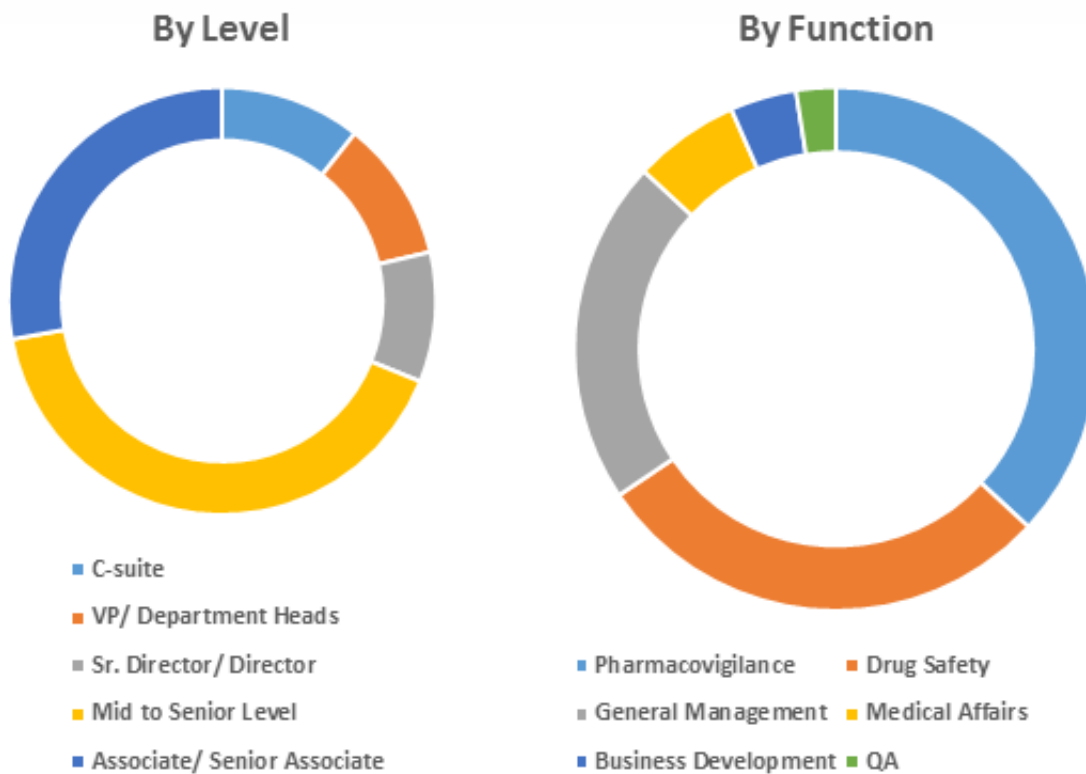

5-6 April, 2019 | Courtyard by Marriott | Mumbai, India

Why partner at the 7th DIA India Pharmacovigilance Conference?

With every passing year, the DIA India Pharmacovigilance conference focusing on the entire spectrum of drug safety, pharmacovigilance, risk management, patient centric innovations in clinical safety and post marketing surveillance, has become one of the largest platforms for the drug safety community to exchange ideas and practices, network and promote new and exciting products & services in the India healthcare community.

The 7th DIA India Pharmacovigilance conference on April 5-6th, 2019 will bring together more than 250 clinical, drug safety and pharmacovigilance professionals and regulators from different regions, involved in safety management across the product lifecycle, to discuss recent and upcoming transformational changes in global safety and risk management.
