## What if I can't attend the Virtual Meeting live? Will sessions be recorded?

Yes, all sessions presented virtually will be recorded and made available post-meeting (except for a minority of cases where the faculty member did not agree with the recording). All registered attendees will have full access to recordings of the meeting sessions for two weeks after the meeting is over.

## Are the slides of the presentations from the meeting available?

Meeting registrants can access speaker presentations (except for a minority of cases where the faculty member did not agree with the publication of the slides) (PDF version only) by visiting “Programme” and navigating through the searchable programme.

If you do not have a User ID and Password, click “Forgot User ID?”, and enter the email address you provided at registration.

This repository includes all speaker presentations provided to DIA and is continually updated as we receive new presentations.

## How can I get involved?

DIA is always looking for volunteers, members, speakers, donors, Community members, and more!

During this critical time, there are many ways you can support DIA's mission and financial stability.
