

DIA Global Annual Meeting

SUBMISSION DEADLINE: MARCH 6

CALL FOR COMMUNITY ROUNDTABLE DISCUSSIONS

Community Roundtable Discussions are 60-minute DIA Community member-facilitated discussions that are inspired by sessions within the DIA 2025 program. This is an exclusive opportunity for DIA Community members to continue the dialogue and develop connections with current and potential new Community members. Community Roundtable Discussions are designed to carry learning and debate from sessions to real-life application and discussion.

Community Roundtable Discussion Request Submission Form

Step 1: Review the DIA 2025 Preliminary Agenda

Identify the session(s) that would be of interest to either your Community or a combination of Communities. Cross-Community Roundtables are highly encouraged. Remember, the purpose behind your session selection(s) is to continue a conversation that has begun in the session. **Note: For session details including description and speakers, view the searchable [program](#).**

Step 2: Complete a Request Submission Form

Once you have determined your session choice(s), complete the submission form. If you are collaborating with multiple Communities, please only submit one request form on behalf of the group. You may be asking, "why is the submission form being referred to as a Request Submission Form?" There is a possibility that Communities may choose the same session(s) to invite to their roundtable. DIA will review all requests following the close of the submission period to ensure a balanced distribution of roundtable discussions.

Request Submission Form Tips and Tricks

- Do not wait until the last day to submit a request form. There is usually very high traffic on the website, and you want to avoid the risk of any technical difficulties.
- Be certain to click "Submit" at the end of the process for a confirmation of receipt. If you do not get confirmation of receipt screen, DIA may not have received your request form.

Post Submission Information

Decisions

DIA will review all requests, following the close of the submission period to ensure a balanced distribution of Community Roundtable Discussions. Notifications will begin the week of March 24.

Potential Revisions

Please note that DIA and the DIA 2025 Global Annual Meeting Program Committee have the right to request submitters revise their form(s). Potential revisions include blending with another submission.

Scheduling Sessions and Inviting Speakers

DIA will notify Community Chairs and submitters of each accepted Community Roundtable and provide scheduling information. Many factors and schedules are considered for the creation of the Community Roundtable Discussion schedule. DIA will invite the speakers of each of the approved sessions to participate in the corresponding Community Roundtable Discussion. Once speakers have agreed to participate, DIA will inform the Community Roundtable Discussion facilitator. Regardless of speaker availability, the Roundtable Discussion will be held. It is not uncommon for Community Roundtable Discussions to proceed without the involvement of session speakers and chairs.
