

Disclosure Statements

As of June 10, 2026

The Postgraduate Institute for Medicine (PIM) and DIA require faculty, planners, managers and other individuals who are in a position to control the content of this activity to disclose all their financial relationships with ineligible companies they may have as related to the content of this activity. All identified conflicts of interest are thoroughly vetted and mitigated by PIM and DIA according to PIM policy for fair balance, scientific objectivity of studies mentioned in the materials or used as the basis for content, and appropriateness of patient care recommendations.

Disclosure statements are listed below. They will also be displayed in each session room.

The faculty who reported relevant financial relationships with ineligible entities related to the educational content of this CE activity have been mitigated.
