**How to Include Polling in Your Session**

**DIA**

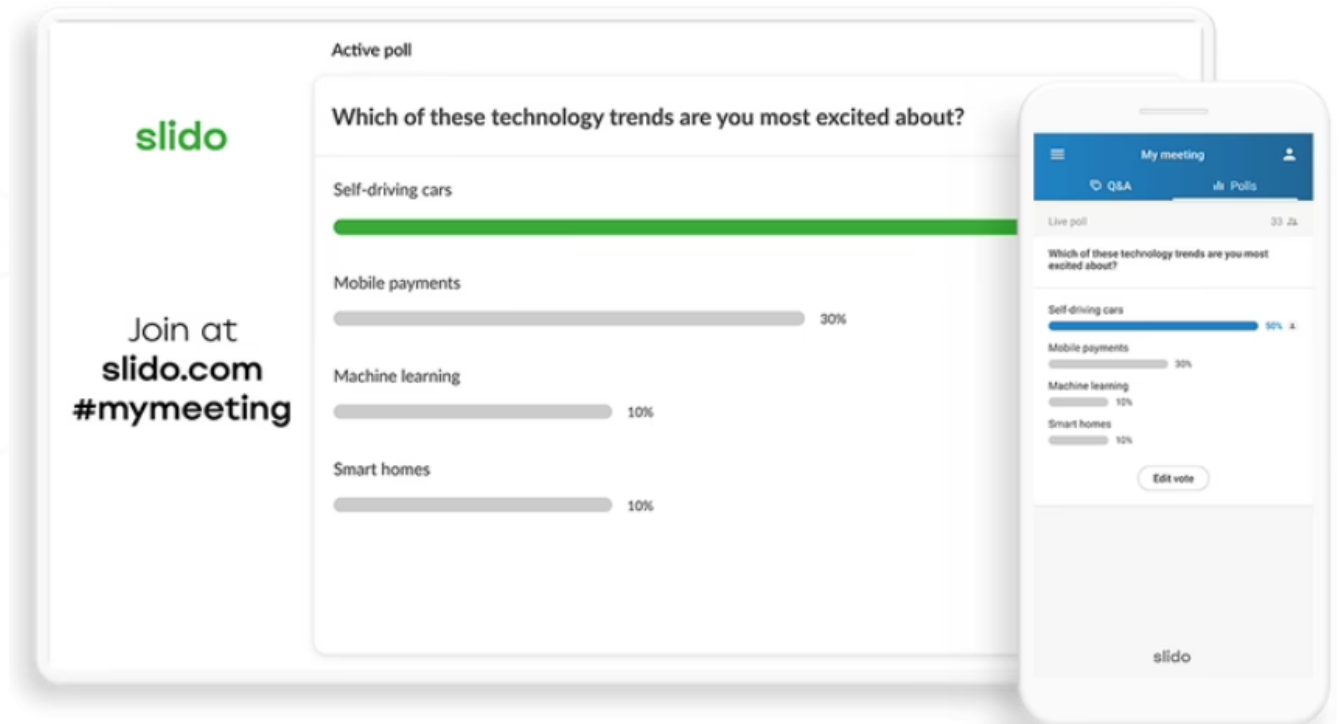

# Add an interactive aspect into your session!

Give as much attention to PARTICIPATION as you do to information

Conferences have grown beyond attending just to listen to someone speak. Instead, face-to-face events should be about engagement, participation, and discussion, to learn beyond listening to information

# What is Slido?

- ▶ Live polls are an easy way to kick-start the conversation, check knowledge, or get instant feedback.

- **Allow time for discussion of the response results.**
  - Build in approximately 1-2 minutes for presenting and polling.
  - Build in at least 2-3 minutes for discussion of each question.
