**This webinar will be recorded and posted within Speakers Corner.**

## Program Participant Readiness: More than a Meeting – Part 1

Friday, February 28, 2020

12:00 PM – 1:00 PM ET

### Overview

DIA 2020 will host thousands of professionals in the pharmaceutical, biotechnology, and medical device communities from more than 50 countries. As program participants – moderators, session chairs, speakers, panelists and instructors, we recognize the major role you have in the success of this meeting. This webinar is designed specifically to provide guidance to our program participants in preparation for DIA 2020. We are very happy to be working with you and to support the development of an outstanding experience for our attendees.

### Learning Objectives

At the conclusion of this webinar, participants should be able to:

- Identify with the purpose, goals, objectives, and most importantly the audience for the DIA Global Annual Meeting
- Incorporate specific DIA goals when developing sessions
- Navigate the learning formats offered at the DIA Global Annual Meeting
- Implement best session planning principles
- Work more effectively with FDA speakers
- Gain an understanding for Continuing Education expectations
