# Defining Engage and Exchange Sessions

Engage and Exchange is all about peer-to-peer to learning.

These sessions rely on audience participation and discussion as a means to learn beyond listening to information

# Organizing Your Session: Formula for Success

Take 5-10 minutes to frame your session. What is the group going to do over the next 45-60 minutes?

Plan for 25-30 minutes of dedicated small group discussion (breakout groups)

Use the last 15-20 minutes for sharing and open discussion.

# Engage and Exchange Notes

- Max audience size = 50 people in the interactive space and ~25 in the observation area
- Handouts are highly encouraged. **The deadline for submitting handouts to DIA is May 26.**
- Engage and Exchange sessions will take place in a dynamic workspace within the Exhibit Hall
- Facilitators will be responsible for encouraging participants to recall and analyze information, share their personal experiences, draw conclusions, and/or practice new skills. **The focus of an Engage and Exchange session is to have the attendees work together, and the role of the presenter(s) is to facilitate these discussions with less emphasis on a didactic presentation.**
