CALL FOR STUDENT ePOSTERS
Deadline to submit: February 11

The Student ePoster Program is an opportunity for eligible students to present research results, case studies, and thought leadership to a diverse group of scientific professionals who are actively involved in the discovery, development, and lifecycle management of pharmaceuticals, biotechnology, medical devices, and healthcare-related products.

ACCEPTED PRESENTERS WILL RECEIVE THE FOLLOWING:

• The presenting author will receive a 20% discount* off their registration to the DIA 2021 Global Annual Meeting

• Posting of abstract on the DIA 2021 website

• NEW this year! Accepted Abstracts will receive viewership metrics.

*The discount will be applied to the presenting author's registration category, is nontransferable, and cannot be combined with other offers.

TOP 5 REASONS TO PRESENT YOUR ePOSTER AT DIA 2021

1. ePosters allow you to get feedback on ongoing research , projects, and thought leadership. Whether your work is in its early stages or completed, you will benefit from discussions with other researchers in the same field.

2. Network with fellow attendees and have an impartial discussion of your work with people from around the globe, across the drug development continuum.

3. ePosters are a great way to disseminate your work, especially if it falls within a narrow field of specialization.

4. If your field of research/interest is not featured prominently in our program, an ePoster is a great way to bring your content to a wide, interdisciplinary audience.

5. Gain the skills and confidence to present your work in a dynamic fashion to an audience of your peers.

AUTHORS MAY SUBMIT THEIR ABSTRACT TO ONE OF THE FOLLOWING EDUCATIONAL TRACKS

• Clinical Safety and Pharmacovigilance
• Clinical Trials and Clinical Operations
• Data and Data Standards
• Medical Affairs and Scientific Communication
• Patient Engagement
• Preclinical Development and Early-Phase Clinical Research
• Project Management and Strategic Planning
• R&D Quality and Compliance
• Regulatory
• Regulatory CMC and Product Quality
• Statistics
• Value and Access
• Professional Development

TOPICS TO CONSIDER

• Collaborations without boundaries
• COVID-19/pandemic response
• Diversity, disparities, and inclusion
• Clinical trial design for special populations
• Post-market evidence generation
• Selection and analysis of surrogate endpoints or composite endpoints
• Personalized medicine
• Innovative processes or findings in pharmaceutical quality and/or CMC
• Clinical trial design healthcare data capture/interoperability
• Value assessment
• Health Technology Assessment (HTA)
• Comparative effectiveness research
• Value of information
• Differential pricing
• Early access schemes
• Patient preferences
• Health economic simulation modeling
• Multi-criteria decision analysis
• Managed entry agreements
• Health economic evaluation
• Adaptive pathways
• Biosimilars
• Evaluation and validation of patient-reported outcomes (PROs), including instrumentation
• Evidence generation

ePOSTER SUB-CATEGORIES TO CHOOSE FROM

• Thought Leadership ePoster: Based on expertise and perspective in an industry, offers unique guidance, inspires innovation and influences others

• Research Based ePoster: Summarizes information or research and concisely conveys study objectives, methods, findings, and implications

• Case Study ePoster: Provides real-world context and enables the learner to see how the concepts, presented in the ePoster, apply in real life

STUDENT ELIGIBILITY

• Students must be enrolled at the time of the event or have graduated within three months of the event date.

• Students must provide documentation of enrollment of at least 12 undergraduate hours or 9 graduate hours annually in a degree or certificate-granting academic program in an accredited academic institution, whose content is consistent with the mission of DIA.

• The presented research must have been conducted with an academic institution.

• The only item that will display on the company area on your badge will be your academic institution.

• All submitting authors must complete a student verification form by the submission deadline as part of their application. **Abstracts submitted without a student verification form will not be considered.**

• Fellows, residents, post-doctoral scholars, students who are employed full-time, and working professionals are not eligible; however, they are invited and encouraged to submit to the DIA 2021 Professional ePoster Program.

• Past DIA Annual Meeting or DIA Europe student poster presenters are NOT eligible to receive the travel award.

• Abstracts submitted for presentation must not have been presented or published previously.

GENERAL SUBMISSION REQUIREMENTS

• Abstracts must be submitted online at **DIAglobal.org/Abstracts.**

• A student can submit more than one abstract but may only represent one ePoster. Co-authors are welcome to register for the meeting and present subsequent ePoster.

• Abstracts may not refer to specific brand names.

• Abstracts should address one of the interest areas represented at DIA 2021.

• Only one author is to be identified at the time of submitting the abstract. This author will be the lead regarding all communications related to the submission.

REQUIRED DOCUMENTATION FOR ALL ABSTRACTS

• **Participant Disclosure Information**
All abstract authors must disclose any significant financial interest or other relationship with the manufacturer(s) of any commercial product(s) and/or providers of commercial services discussed in an educational presentation, as well as any discussion of unlabeled or unapproved use of drugs or devices.

• All authors must agree to the DIA Speaker Authorization for Use of Presentation Materials in order for the abstract to be a part of the Annual Meeting Program. Accepted ePosters will be available on the DIA 2021 website for attendee download.

Deadline for abstract submission..Thursday, February 11
Deadline to submit Student Verification Form ....Thursday, February 11
Authors will be notified.. Week of March 10
Upload ePoster to DIA 2021 website .... Week of June 18

SUBMITTED ABSTRACTS MUST INCLUDE THE FOLLOWING SECTIONS:

Helpful hint! Plan your submission separately and in advance by using this underline abstract form. Read a sample ePoster abstract.

• Go to DIAglobal.org/Abstracts

• Click "DIA 2021 Call for Student ePoster Abstracts"

• Log into your DIA account or create new account

• Complete all required fields to submit abstract

• Once your abstract is submitted, forward the abstract confirmation notice along with your completed Student ePosters Verification Form to AnnualMeetingProgram@DIAglobal.org with "DIA 2021 Student ePoster Submission" in the subject line

REQUIRED FIELDS (TO BE SUBMITTED ONLINE)

Abstract Title* *(125 characters including spaces)* *Titles should briefly describe the focus of the abstract as well as accurately reflect the content of the abstract.*

Core Interest Area/Track* *Select the track that suits your ePoster's subject/topic.*

Keyword* *(Maximum 100 characters including spaces)* *Provide one or more keywords to associate with your abstract. These will be used for search purposes should your abstract be selected as an ePoster. Examples of keywords: Personalized Medicine, Health Technology Assessment, Clinical Trial Agreements.*

Objective* *(Maximum 300 characters including spaces)* *Provide a one sentence statement of the objective of the abstract.*

Method* *(Maximum 300 characters including spaces)* *When, where, and how was the study done? What materials were used or who was included in the study?*

Results* *(Maximum 2000 characters including spaces)* *What quantitative data was collected; what answer was found to the research question; what did the study find? Was the tested hypothesis true?*

Conclusion* *(Maximum 2000 characters including spaces)* *State what can be concluded from the study and its implications.*

For questions about the Student ePoster Program, please email AnnualMeetingProgram@DIAglobal.org

CALL FOR STUDENT ePOSTERS VERIFICATION FORM
Deadline to submit: February 11

Students interested in submitting an abstract for the Student ePoster Program at DIA 2021 must complete this form and return it to DIA. In addition, abstract details must be submitted via the DIA website at DIAglobal.org/Abstracts by **February 11.**

TITLE OF ABSTRACT and Abstract Number: _____

*Number assigned by the online abstract submission site.

STUDENT DETAILS *(please indicate your address of residence)*

_____

Last Name   First Name   MI   ☐ Dr. ☐ Mr. ☐ Mrs. ☐ Ms.

_____

Mailing Address   Academic Institution

_____

City State Zip/Postal Code Country

_____

Telephone   Email Address *(required)*

☐ I have submitted my abstract via the DIA website.   ☐ I will be submitting my abstract via the DIA website by the February 11 deadline.

_____

Student Signature *(required)*

MENTORING DETAILS *(program director or professor mentoring this research project)*

_____

Last Name   First Name   MI   ☐ Dr. ☐ Mr. ☐ Mrs. ☐ Ms.

_____

Mailing Address   Academic Institution   Job Title

_____

City State Zip/Postal Code Country

_____

Telephone   Email Address *(required)*

☐ I verify that this research is being conducted at this academic institution and support the abstract submitted by this student.

_____

Mentor Signature *(required)*

Please make sure to include the following documents when submitting your verification form: Copy of current transcript including total credit hours for the academic year; **OR** letter from the Registrar's office stating your current enrollment status including credit hours for the academic year.

Your completed form and documents must be received by February 11.
Your documents can be sent to DIA via email at AnnualMeetingProgram@DIAglobal.org. For more information about the Student ePoster Program, please email AnnualMeetingProgram@DIAglobal.org
