

COORDINATION SERVICES

COORDINATION SERVICES

Framework Solutions is the recognized global leader in Promotional & Medical Review Coordination Services for Pharmaceutical and Life Science Companies. We have decades of experience, and have facilitated the review and approval of over 500,000 assets for a variety of clients from late-stage clinical to industry-leading commercial companies.

How We Help

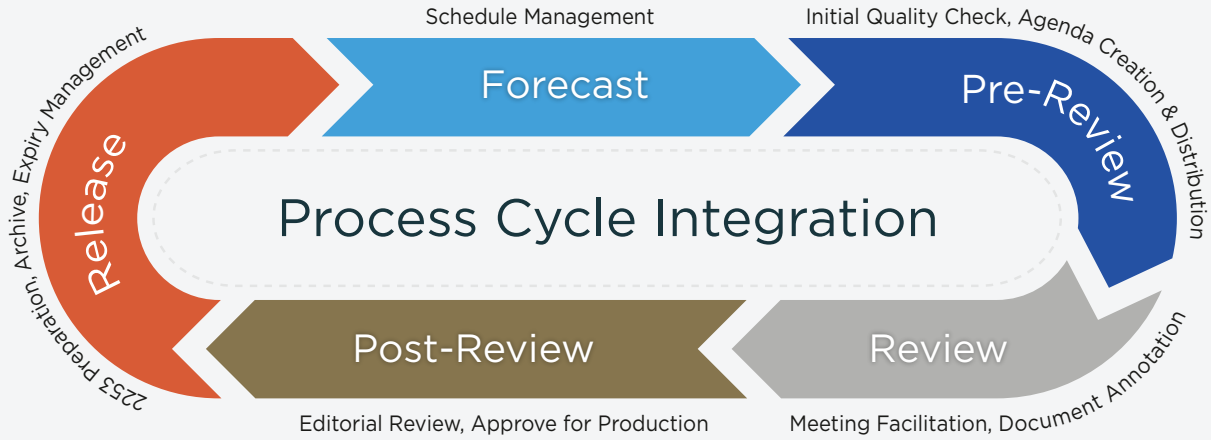

Our primary role is to route assets through the review and approval process in accordance with your organizational processes and aligned with industry best practices. We partner with agencies, project owners, and reviewers to ensure compliance, identify bottlenecks or process gaps and maintain an efficient, expeditious, and compliant process.

Our highly trained Coordinators are uniquely qualified to fill this role. Each has in-depth knowledge of all aspects of content review. They are well versed in FDA regulations, process optimization and SOP management. In addition, they are experts in all leading Content Management System platforms allowing for quick integration into your process.

Services Include:

- ⚙️ Pre-review Quality Assessment
- ⚙️ Agenda Creation and Management
- ⚙️ Meeting Facilitation
- ⚙️ Document Annotation and Reconciliation
- ⚙️ Editorial Review and Proofreading
- ⚙️ Document Lifecycle Management

All our Coordinators are supported by our highly trained management staff who oversees your account and the day to day requirements that arise in the course of business. Our team focuses on the process so you can focus on the product.

On-Demand Support

Our On-Demand Service Model is efficient in both late-stage and commercial accounts. The goal of our model is to allow our clients maximum flexibility in terms of scalability, cost control and simplification of day to day management of the process.

Service Model Scenarios:

- 
Full Service: Our Coordinator acts independently in the coordinator role, owning all tasks, managing all of your content review needs
- 
Integrated: Our Coordinator integrates with your existing coordinators and acts as a fellow team member, owning all tasks on specific brands
- 
Augmented: Our Coordinator augments your existing staff to handle increases in volume, managing specific tasks as needed
- 
Supplemental: Our Coordinator supplements your existing staff to cover PTO or other prolonged employee absence
